Free Lab Space for One Year

Enter to win access to lab space for a full year at Bay Area Disruptor and Startup Support Labs

The Research Park

MARINA VILLAGE

The Research Park at Marina Village welcomes all early stage life sciences companies and entrepreneurs to pitch for an opportunity to win a one-year membership at Bay Area Disruptor and Startup Support Labs.

The winner will not only receive access to state-of-the-art lab space, but also to the The Research Park's ecosystem of scientific and business leaders and the unmatched amenities of our Class A research facility.

- Open to all startup life sciences companies having raised less than \$2MM as of the contest date.
- To apply, send your non-confidential company pitch deck to zsahn@blueriseventures.com or jhu@blueriseventures.com
- Qualified submissions will be invited to an interview and subsequent event hosted by The Research Park at The Retreat – 2020 Challenger Drive in Alameda

Come join us at The Research Park to see how we can help advance your science and support the next breakthrough. Let's innovate together.
